

DAY OF DOING

The Day of Doing is an opportunity for Access members along with their family, friends and co-workers to participate in a service opportunity with an area non-profit. The sponsor of this event will have the opportunity to be part of the selection process for the non-profit and the design of the volunteer opportunity. Project size and length will be determined by the agency and Access Tallahassee committee. This is a great opportunity for a business to support their favorite non-profit not only with labor, but also exposure to our young professionals. Will be held in spring and fall 2018.
