

# LCS NEW TEACHERS WELCOME RECEPTION

This year Leon County Schools hired over 100 new teachers to address teacher turnover and additional classroom teacher demands. Most of the new hires are fresh from college or have recently moved to our community. This reception is the opportunity for sponsor businesses to provide information and welcome these new teachers to Tallahassee. By reaching out to new employees in the community, we can showcase what makes Tallahassee the best place to build their career and family life. The reception is scheduled for September 2018.
