

# CHAMBER WEBSITE 2018

The Chamber Website ([www.talchamber.com](http://www.talchamber.com)) receives more than 3,500 visits monthly as the most comprehensive online option for regional information. The site is utilized by job seekers, people relocating to the region, site location consultants, consumers and businesses looking for services in the Membership Directory, and anyone needing more information about the Tallahassee region. The homepage is designed to be the “front door” for information about the Tallahassee area as well as the Chamber programs, members, and events.
