

PROFESSIONAL WOMEN'S FORUM

Since 1985, Professional Women's Forum has provided a bi-monthly lunchtime program featuring women leaders sharing advice for professional and personal growth. The Women's Forum program features distinguished leaders from our community and region going beyond their bios to provide attendees with tools, strategies and takeaways for their own success, all in an informal, interactive setting. Professional Women's Forum is held every other month at the University Center Club where an average of nearly 200 professional women join their peers for a time of professional and personal development.
