

COFFEE & CONNECTIONS

Coffee & Connections is an event that allows young professionals the opportunity to learn how Access Tallahassee can help them network with other young professionals, advance their careers, develop their leadership capabilities, and give back to the Tallahassee community all while having a great time. This event is ideal if you are interested in joining the program, want to take a refresher on all we have to offer, or if you would just like to start your morning with a cup of coffee and conversation with other young professionals. Approximately 20-30 young professionals attend each month for coffee at various local coffee shops.
