

# DAY OF ACTION

The Day of Action is an opportunity for Access members along with their family, friends and co-workers to choose to participate in a service opportunity with an area non-profit. The sponsor of this event will have the opportunity to be part of the selection process for the non-profit and the design of the volunteer opportunity. Project size and length will be determined by the sponsor and Access Tallahassee advisory council.

This is a great opportunity for a business to support their favorite non-profit not only with labor, but also exposure to our young professionals. There will be two Days of Action in 2020. One will be hosted in the Spring and another in the Fall.
